

Jon R. Gundry, County Superintendent of Schools

REGION V MATHEMATICS CONFERENCE

Supporting Student Collaboration and
Academic Discourse in the Mathematics Classroom

KEYNOTE:

Alan Schoenfeld
University of California, Berkeley

LOCATION:

Santa Clara County Office of Education
1290 Ridder Park Drive
San Jose, CA 95131

DATE:

October 4, 2016

TIME:

8:00–3:30 p.m.

COST:

\$125.00 for

Outcomes

- x Participants will deepen their understanding of the Teaching for Robust Understanding (TRU) Framework focusing on Agency, Authority, and Identity to support students' ability to share mathematical ideas and work collaboratively.
- x Participants will learn how to further integrate the ELD standards into the TK—12th grade mathematics classroom.
- x Participants will explore how technology can be integrated into the TK—5th grade mathematics classroom.
- x Participants will continue to explore strategies to strengthen the use of the Standards for Mathematical Practice developing students' mathematical habits of mind.
- x Participants will explore how Common Core State Standards- Mathematics is embedded in CTE Courses
