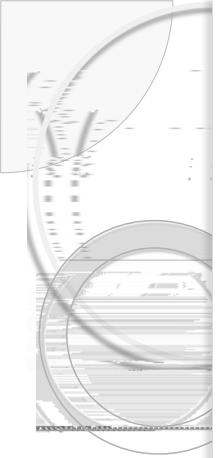
Victor Duron
Out of School Youth Network

Champions for Leadership
June 21, 2011



Goals

I. Maximize Delivery of Student Services
   - To identify every single OSY and potential OSY
   - To ensure that every single OSY is given services

II. Create a System of Excellent Accountability
   - To know which staff is connected to which OSY
   - To provide ongoing follow up to the students we serve

III. Be a Data Driven Program
   - To collect all relevant data in order to identify points of need
   - To develop our services based on data and evidence of nee

Challenges

Accomplishments

Streamlined and Systematized the OSY Program

Improved Ability to Identify Out of School Youth

Increased Number of Students Receiving Servic
