EDUCATION AND EXPERIENCE

Generally, a combination of training and experience that could likely provide the required knowledge and abilities would be qualifying. A typical method to demonstrate these qualifications would be two years of clinical experience in pediatric therapy in an educational setting with emphasis on developmental disabilities. Experience in working collaboratively with teams and families are desired.

LICENSES AND OTHER REQUIREMENTS :

A valid license from or eligibility for licensing with the Physical Therapy Board of California to practice as a Physical Therapist in the State of California in accordance with the Physical Therapy Act.

Possession of a valid California driver's license with a driving record that meets the insurance requirements of the County Office of Education.

WORKING CONDITIONS:

ENVIRONMENT:

Office and classroom setting; driving vehicle to school sites to provide assistance to students and staff.

PHYSICAL DEMANDS:

Hearing and speaking to exchange information; seeing to perform assigned duties; sitting or standing for extended periods of time; dexterity of hands/fingers to operate equipment and perform assigned duties; kneeling, bending at the waist, and reaching overhead, above the shoulders and horizontally to retrieve and store files and supplies; lifting moderately heavy objects.
