- Dr. Dewan commented that the College Liaison and other staff should have awareness of what is included in Phase 3, and how students think about institutions, placements or advocacies to insure they have what they need.

Corrective Action Item #4 – Systemized Plan to measure student’s success in post-secondary transition.

Comments:

Dana Bunnett – Has requested OYA to collect data that will show actual growth on OYA students. And to set up goals that are measurable by next year. Dana objects to the reference “due to the nature of the
