a) Roll Call/Introduct s

Generalist Meeting

The funding will be allocated to the following professional learning focus areas

teaching and mentoring of staff working in an instructional setting

Programs that lead to effective, standards-aligned instruction and improve instruction in literacy across all subject areas, including English language arts, history-social science, science, technology, engineering, mathematics, and computer science.

Practices and strategies that reengage pupils and lead to accelerated learning.

Strategies to implement social-emotional learning, trauma-informed practices, suicide prevention, access to mental health services, and other approaches that improve pupil well-being

Strategies to implement inclusive practices, including, but not limited to, universal design for learning, best practices for student identification, and development of individualized education programs for

Instruction and training to support implementing effective language acquisition programs for
