

The Problem

Decades of systemic oppression and unjust policies have left East San José families with less access to capital, opportunities and resources.

The Solution

Build community power and voice.
Invest in local leadership.
Organize multi-generational families.
Rewrite the narrative.

The 2019 Outcomes

2,010

parents and children were engaged throughout East San Jose

7,150

parents and children were introduced to our work through outreach

100%

of the units at Quetzal Gardens will be affordable. Groundbreaking for SOMDS' newhome will take place in January 2020

#2

SOMDS opened it's second Family Resource Center at Painter Elementary School, which includes a co-op preschool

91%

of youth participants in our summer program felt confident about taking action in their community

384

new leaders joined our community organizing work, through EMPUJE, Vecinos Activos, and Jovenes--- our base has doubled in size since last year!

SOMDS Mayfair builds community power in East San José through leadership development and by organizing around resident-led solutions.

Our mission is to support children, organize families, and connect neighbors to uplift the dreams, power, and leadership of community and address systemic inequities. Our vision is a thriving Mayfair.

Your support is helping to build a movement!
