

No-Cost Training

Intended audience TUPE Coordinators and staff implementing program efforts

To register, please visit <http://ocde.koms.org/> 0-

Training Objectives

- Provide an overview of the Toolkit, including goals, content, materials, effectiveness and adaptability in a remote learning setting.
- Demonstrate various activities on addiction, e-cigs/vapes/pod-based systems, and other key topics to discuss with youth.
- Provide updates on tobacco/nicotine usage, harms, and industry marketing
- Build confidence in using the Toolkit to teach remotely about the harms of using tobacco/nicotine products.

For questions or more information on trainings like these, please reach out to the TUPE Capacity Building Project CBP team at tupeca@ocde.us

This event aligns with CA MTSS Domain
Inclusive Academic and Bty Department of

Education in partnership with the California Department of Education with the goal of building the capacity of TUPE programs across the state using a collaborative approach.
